In order for us to resolve your complaint as quickly as possible, please include the following information in your letter:

Next steps

We'll record your complaint and do all we can to resolve it by the end of the next working day. Some complaints take longer to resolve. If this is the case, we'll send you an acknowledgement letter within five working days of your complaint being received. We will also tell you when we will be able to give you a more detailed response. The Financial Conduct Authority allow us eight weeks to provide a final response, but we will aim to resolve your complaint much earlier than this.

If you're still not happy

If we cannot settle your complaint, you may be entitled to refer it to the Financial Ombudsman Service. Further information is available from their website <http://www.financial-ombudsman.org.uk>
